Re: Scholarship Program

Dear Guidance Counselor:

I am writing this letter regarding the \$500 scholarship which Coastal Jaw Surgery will award to a graduating Senior from a Pasco County High School.

Coastal Jaw Surgery feels there is a need for more quality individuals in the healthcare field. This award, therefore, will be given to a Senior who intends to pursue a career in any healthcare-related field. This program was initiated to help students who are faced with the increasing cost of higher education and the decreasing source of funding to pay for education.

Coastal Jaw Surgery is a surgical-based multi-specialty dental practice specializing in the placement of dental implants, removal of wisdom teeth, oral and facial reconstruction, gum disease, and other periodontal services. Our doctors are offering this Scholarship Program as part of their continuing efforts to focus on the educational needs of the public and other healthcare professionals.

Attached is a copy of our Scholarship application which includes a letter of explanation. Please distribute an application to any student who you feel would qualify for this opportunity. This application may be reproduced if additional copies are needed. The deadline for submission of applications is April 9, 2021.

For further information, please do not hesitate to contact me at our Same Day Teeth office. Please let us know the date of your Award Ceremony (pending COVID) so we can schedule accordingly.

Sincerely,

Alison Thiede
